

FRANKSTON 2025 ADVISORY COMMITTEE EXPRESSIONS OF INTEREST FOR MEMBERSHIP

Frankston City Council is seeking Expressions of Interest from the community for membership to the Frankston 2025 Advisory Committee.

The Advisory Committee advises the Council on how to maximise participation in the Frankston 2025 – Community Visioning initiative and encourage action by all parts of the community to turn the vision into reality.

This is a unique opportunity to become actively involved in the Frankston 2025 – Community Visioning initiative. Frankston 2025 is the long term community vision for Frankston and serves as a guide for future decision-making for both the Council and the community.

- Contribute to the functions of the advisory committee
- Represent a broad spectrum of issues and consult with a range of stakeholders across the Council area
- Work in a team environment, make a contribution and share the committee workload
- Focus on resolving issues
