

DRAFT SUSTAINABILITY POLICY PUBLIC COMMENT

Frankston City Council wishes to invite public comment on its draft Sustainability Policy.

The Sustainability Policy seeks to improve the quality of life for current and future generations by providing a framework for decision making processes that establish sustainable practices and support the Frankston 2025 Community Vision.

Copies of the draft Sustainability Policy are available from Council's Web site – www.frankston.vic.gov.au following the link to Frankston 2025 – or in hard copy from the Civic Centre and Customer Service Centres. For further information phone Council on 1300 322 322.

Any person who wishes to make a submission on the Sustainability Policy must lodge the submission in writing to Frankston City Council by Monday, 13 July 2009. Please note that the summary of submissions, with the name and addresses removed, may be incorporated as appendices in a future Council report, and therefore available for public perusal. Please note that it may not be possible to remove other identifying information from summaries and thus the identity of the submitter may become apparent.

Council, in accordance with Section 223 of the *Local Government Act 1989*, will consider all written submissions received within the prescribed time.

Any person lodging a submission should clearly state whether they wish to be heard in support of the submission. Such person/s will be heard by Council (or a committee established by Council for this purpose) and may be represented by a person acting on his or her behalf. Persons wishing to make a verbal submission should include a daytime telephone number in their submission.

Council will hear and consider all submissions at its Planning and Submissions Meeting on Monday, 17 August 2009 commencing at 7:00pm, Frankston Civic Centre, Corner Davey and Young Streets, Frankston.
